## Are You Subject to Constipation

Here is a Simple Way of Correcting it Instantly Before it Becomes Chronic.

Very few people go through life without some time or other being troubled with constipation. Thousands injure themselves by the use of strong cathartics, salt mineral waters, pills and similar things. They have temporary relief in some cases, it is true, but the good effect is soon lost, and the more one takes of them the less effective they become.

A physic or purgative is seldom necessary, and much better and more permanent results can be obtained by using a scientific remedy like Dr. Caldwell's Syrup Pepsin. It does not hide behind a high sounding name, but is what it is represented to be, a mild laxative medicine. It is so mild that thousands of mothers give it to their infants, and yet it is so compounded, and contains such definite ingredients that it will have equally good effect when used by a person suffering from the worst chronic constipation. In fact, among the greatest endorers of Syrup Pepsin are elderly people who have suffered for years and found nothing to benefit them until they took Syrup Pepsin.

It is a fact that millions of families have Syrup Pepsin constantly in the house, homes like those of Mrs. G. B. Pruitt, Berea, Ky., who used Dr. Caldwell's Syrup Pepsin as a laxative tonic. Mrs. Pruitt writes that it so strengthened and cleansed her system that she was quickly relieved of a severe cough which had troubled her for months. The special value of this grand laxative tonic is that it is suited to the needs of every member of the family. It is pleasant-tasting, mild and non-

gripping. Unlike harsh physics it works gradually and in a very brief time the stomach and bowel muscles are trained to do their work naturally again, when all medicines can be dispensed with.

You can obtain a bottle at any drug store for fifty cents or one dollar. The latter size is usually bought by families who already know its value. Results are always guaranteed or money will be refunded.

If no member of your family has ever used Syrup Pepsin and you would like to make a personal trial of it before buying it in the regular way of a druggist, send your address—a postal will go—to Dr. W. B. Caldwell, 417 Washington St., Monticello, Ill., and a free sample bottle will be mailed you.

## SMOKING RESUMED IN DISTRICT COURT

Judge Isaacks Put a Ban on Smoking, but Judge D. J. Jackson Lifted It on Wednesday.

Smoke is rising again in the 34th district court. Judge Dan M. Jackson is on the bench. Judge S. J. Isaacks, who exchanged places with Judge Jackson, placed a ban on smoking in the court room during court proceedings the first day he presided. As long as he was on the bench the rule was strictly enforced. When the Carpenter case was given to the jury, Judge Isaacks stepped down for Judge Jackson, and Wednesday morning clouds of smoke filled the court room.

Wednesday morning the case of D. E. Norton versus the Southern Pacific company, wherein the plaintiff is suing the railroad company for \$50,000 damages for alleged personal injuries, went to trial in Judge Jackson's court.

Judge Isaacks in the 41st district court is presiding in the case of F. E. Schutz versus George Brady, an injunction suit. The plaintiff in the suit is seeking to have the court regulate the blasting done by the defendant in the vicinity of Mt. Franklin. Judge Isaacks will rule in that case and will also be here until the jury in the Carpenter case makes its report.

**Jury Scrip Payable.**  
All registered jury scrip up to and including treasurer's No. 5188, will be given on presentation at county treasurer's office.

J. W. Weir, 34 Smelter St., El Paso, Texas, says: "I had trouble with my back for a long time and for two years I could not straighten or stoop without assistance. As long as I remained in an erect position, I had no difficulty but the least strain on the muscles of my back caused me to suffer severely. I tried remedying but got no relief until I began taking Doan's Kidney Pills. They made a complete cure. I have not had to use Doan's Kidney Pills or any other kidney medicine since."
